ಶ್ರೀ ಬಿ. ಡಿ. ಜತ್ತಿ.—ಪ್ರೊಬೇಷನರ್‌ಗಳನ್ನು ತೆಗೆದುಕೊಳ್ಳುವದು ಒಳ್ಳೆಯದಲ್ಲವೆನ್ನುವದು ತಮ್ಮ ಅಭಿಪ್ರಾಯ. ಮಹಾಜನರು ಅಭಿಪ್ರಾಯ ಪ್ರೊಬೇಷನರ್‌ಗಳನ್ನು ತೆಗೆದುಕೊಳ್ಳಬೇಕು ಮತ್ತು ಅವರನ್ನು train ಮಾಡಬೇಕು ಎಂದು ಇದೆ.

ಶ್ರೀ ಕೆ. ಪಿ. ರೇವಣಸಿದ್ದಪ್ಪ.—ಪ್ರೊಬೇಷನರ್‌ಗಳನ್ನು ತೆಗೆದುಕೊಳ್ಳಬೇಕೆಂದು ಎಷ್ಟು ಮನವಿಗಳು ಬಂದಿವೆ ?

ಅಧ್ಯಕ್ಷರು ಮಹಾಜನಗಳ ಅಭಿಪ್ರಾಯವಿದೆ ಎಂದರೆ ಬಹಳ ಜನರ ಅಭಿಪ್ರಾಯವಿದೆ ಎಂದು ಅರ್ಥ. ಅದಕ್ಕೆ ಮನವಿಗಳು ಬರಬೇಕಾಗಿಲ್ಲ. ಮಹಾಜನರ ಅಭಿಪ್ರಾಯವನ್ನು ಯಾವ ರೀತಿಯಿಂದ ತಿಳಿದುಕೊಂಡಿದ್ದಾರೆನ್ನುವ ವಿಚಾರ ಇಲ್ಲಿ ಬರುವುದಿಲ್ಲ.

Sri G. VENKATAI GOWDA.—Did they specify in the advertisement that only textile graduates would be taken and only textile graduates need apply ?

Sri B. D. JATTI.—Sir, if the notification is read the Hon'ble Members will know about the terms and conditions of the notification.

2-00 P.M.

Sri G. VENKATAI GOWDA.—Is it not a fact Sir, that the abvertisement specified that only textile graduates will be taken?

Sri B. D. JATTI.—If it is contained in the notification, it is there.

Sri C. M. ARUMUGHAM.—Sir, you say none was selected; then who was appointed Sir?

Sri B. D. JATTI.—The reply is very clear. The Hon'ble Member is interested in knowing whether any other person is appointed. I will find out and supply the information even unofficially, if he desires, Sir.

Sri G. VENKATAI GOWDA.—Are not the appointments made contrary to the specifications mentioned in the notification?

Sri B. D. JATTI.—I have already said that I have no information.

Sri C. M. ARUMUGHAM.—Sir have they prescribed any qualification forthe appointment or promotion to the posts like Superintendent, Chief Underground Agent, Underground agent, Surveyor, Chief Surveyor, Cashier and Accountant Welfare and labour Officer, Chief Engineer' Asst,. Engineer, Metullurgists and Asst. Metullargists ?

†Sri B. D. JATTI.—Whenever these candidates are to be interviewed and appointed, qualification are prescribed and according to the qualifications they are interviewed by a committee which will make recommendations to the K. G. F. Mining Board who will make appoinments.

Sri C. M. ARUMUGHAM.—May I know the qualifications prescribed for all these posts ?

Sri B. D. JATTI.— Whenever the K.G.F. Board wants any officer, they will be prescribing certain qualification and ask for applications. According to the prescribed qualification, they will be appointed.

Sri C. M. ARUMUGHAM.— Sir, how many officers in the list were promoted to the present post after nationalisation ?

Sri B. D. JATTI.—The scheme of Junior Asst. underground agents-*cum*-Junior Asst. Surveyors is the question for consideration. That was introduced in the Undertakaing in December 1959. Except in this Department, there is no other Department wherein we have promoted anv others for dipoloma holders.

Sri C. M. ARUMUGHAM.—I want to know how many officers in the list were promoted to present posts after nationalization and after prescribing qualification ?

Sri B. D. JATTI.—It is impossible for me to reply to such a wide question Sir. The question particularly concerns a particular department for which I have got details. If details of every department is needed, then it is not possible for me to reply now.

Sri M. C. NARASIMHAN.— May I know the basis or the qualification on the basis of which they were promoted as Junior officers ?

Sri B. D. JATTI.—These diploma holders had put in 5 years of service. Whoever is found to be eligible get an opportunity of being promoted, Sir.

Sri M. C. NARASIMHAN.—May I know the number of diploma holders among the S. C. in the Undertaking ?

Sri B. D. JATTI.—There are five diploma holders belonging to the S. C. now. According to my information, their service is less than five years. When they complete 5 years, their case will also be taken into consideration for promotion.

Sri C. M. ARUMUGHAM.—What are the institutions that are recognised by you for this purpose ?

Sri B. D. JATTI.—The diplomas and degrees which have been accepted and recognised by the Government. of India, will be recognised by the Government of Mysore also. We have no Special institutions recognised for this purpose.

Sri C. M. ARUMUGHAM.—About these five S. C. diploma holders, why they are not eligible for promotion Sir ? May I know what is their service ?

Sri B. D. JATTI.—I do not know the names of these five S. C. candidates. I know that their service is less than five years. No sooner they complete five years of service, they will be eligible for promotion provided they satisfy the other conditions.

Sri C. M. ARUMUGHAM.—There is no qualification mentioned against the Superintendent, Champion Reefs. May I know what is the criteria on which this person was appointed as Superintendent, Sir ?

Sri B. D. JATTI.—I will get the information and supply. Personwise I have not studied.

Sri C. M. ARUMUGHAM.—May I put it to the Chief Minister, he is also the Chairman of the K. G. F. Undertaking-most of the persons you will see, are not qualified. But still they have been appointed as Chief Cashier, Chief Surveyor Chief Mining Agent, and Superintendents also. There is some force in my asking. There are unqualified persons who are holding posts which give them Rs. 1500–1800 per month and you must also be prepared to give me information in detail. I put another question, Sir. Do they consider any diploma from the British

Institute of Technology for the appointment or promotion as officers in the K. G. F. Mining Undertaking.

Sri B. D. JATTI.—If it is recognised by the Government, it will be considered.

Sri C. M. ARUMUGHAM.—I want to know whether you have recognised or not because, you say there are certain officers who are holding the B. I. E. T. Mr. W. Richards Diploma in Mechanical Engineering – From which Institute has he secured the diploma, Sir ?

Sri B. D. JATTI.—Sir, whatever diploma or degree is recognised by the Government of India, will be recognised by the Government. of Mysore. We do not make any change.

Sri C. M. ARUMUGHAM.—Here the B.I.E.T. diploma holders are made officers. I want to know from the Chief Minister whether he has recognised the B.I.E.T diplomas for promotion, because there are very few officers who are holding this diploma. Why these diploma holders were made as officers and will it extend to others also ? If so, how many B.I.E.T. diploma holders are there in the K.G.F. mining undertakings.

Sri B. D. JATTI.—Whatever principle has been accepted for promotion to a particular servant will be extended to other servants also without any discrimination.

Sri C. M. ARUMUGHAM.—What are the other allowances for these officers ?

Sri B. D. JATTI.—There are a number of officers convenented and non-covenented.

Sri C. M. ARUMUGHAM.—You have taken no covenented officer.

Sri B. D. JATTI.—I say whatever allowance were given before the nationalization, they are continued. No sooner they retire and others come into those places, there will be uniformity in regard to salary and allowances.

Sri C. M. ARUMUGHAM.—has it come to the notice of the Government that in regard to allowance, such as servants allowance, D.A. and other allowances, there is discrimination between officers and junior officers. ?

Sri B. D. JATTI.—May be Sir.

Sri C. M. ARUMUGHAM.—What is the reason Sir ? Why junior officers are getting allowance less than the monthly rated employees ?

Sri B. D. JATTI.—That is according to rules prevalent there.

Sri C. M. ARUMUGHAM.—You say the junior officer's cadre was created; for what purpose ?

Sri B. D. JATTI.—These are details which will have to be exmained.

Sri C. M. ARUMUGHAM.—Has it come to the notice of the Government that candidates who were appointed in 1954 in survey and underground department were promoted as junior officers, whereas candidates taken in 1954 taken on the same term and canditions in matallurgical and engineering department were not promoted as junior officers ?

Sri B. D. JATTI.—That was replied in respect of the first supplementary. This difference is only because the scheme of junior assistants Underground was introduced in the undertaking in December 1959. This scheme has not been introduced in other Departments...

Sri C. M. ARUMUGHAM.—In 1954 graduates and diploma holders were appointed in the Survey Department and Underground Departments and they are promoted as Junior Officers now.

Sri B. D. JATTI.—In one Department only diploma holders are promoted as Junior Officers. This scheme has not been made applicable to the other departments and that is why it is not possible to promote them.

Sri C. M. ARUMUGHAM.—They were appointed in 1954 on the condition that they will be promoted as officers within 5 years. Why are those appointed in the Metallurgical Department and the Engineering Department not promoted as officers?

Sri B. D. JATTI.—Because this scheme has not been introduced in those departments it is not possible to promote them.

Sri M. C. NARASIMHAN.—At the time they were taken there was an assurance that they would be promoted as Junior Officers shortly. If you do not promote them as Junior Officers will it not be a breach of promise?

Sri B. D. JATTI.—If there was any assurance in writing I am prepared to consider even to-day.

Sri C. M. ARUMUGHAM.—Is it not a fact that this scheme for the Metallurgical Department and the Engineering Department was recommended to the K.G.F. Committee by the then Managing Director Sri Narayanaswamy?

Sri B. D. JATTI.—Unless it is accepted, recommendation made by the Managing Director cannot be brought into force.

Sri C. M. ARUMUGHAM.—What made the Managing Director to ask the K.G.F committee to introduce this scheme in the Metallurgical and the Engineering Departments?

Sri B. D. JATTI.—It is known to the Managing Director who recommeded it.

Sri C. M. ARUMUGHAM.—In view of the fact that some of the employees in the Metallurgical and the Engineering Departments are holding diplomas equivalent to the diplomas held by the employees

in the Survey and Underground Departments, will Government consider introducing this scheme to the Metallurgical and the Engineering Department?

Sri B. D. JATTI.—So for we have not accepted. I am not going to say when we are going to consider.
